Dear Sir:

Applicant requests reconsideration of the holding of abandonment set forth in the notice mailed on December 22, 2003. This request is within two months of the holding of abandonment and is timely.

Submitted herewith is a copy of a Request for Continued Examination mailed on November 26, 2003 showing a Certificate of Mailing executed on November 26, 2003, and a copy of the post card identifying the papers filed and showing the U.S. Patent and Trademark Office receipt stamp dated December 1, 2003.

The decision of the Board of Patent Appeals and Interferences was dated September 26, 2003. A Request for Continued Examination is a proper response to the appeal decision according to 37 C.F.R. § 1.198. The Request for Continued Examination filed on November 26, 2003 was timely. The Request for Continued Examination included amendments to the claims that were appealed and new arguments for allowability. Thus, the Request for Continued Examination satisfied the requirements of 37 C.F.R. § 1.114.

If any fee is required with this request, please charge the fee to Deposit Account No. 13-3723. Because no defect exists in the previous submission, it is respectfully asserted that no fee is owed.
